

# 2017 Hualien Pacific Ocean & East Rift Valley Marathon Race Regulations

## I. **Purpose of Event:**

Based on the concept of “The Pacific Ocean x East Rift Valley”, the beautiful landscape that Hualien has been gifted with is integrated with running to convey the values of health and environmental protection to its citizens. It is hoped that the scenery, unique qualities of local businesses, and the passion of the citizens of Hualien can be combined with the trend of exercise to allow residents to enjoy the beauty of Highway 193, realize a healthy lifestyle, explore their body, mind, and spirit, and experience personal growth.

This event is based on the concept of LOHAS, which enables it to approach the true nature of life, achieve a healthy and natural lifestyle and attitude, as well as create greater benefits for tourism and society. The specific objectives are as follows:

- (1) City marketing, combining sports and leisure with marketing and tourism, and driving overall tourism and industry development.
- (2) Promoting fitness among all residents, advocating the trend of jogging, and developing a lively tourist city for exercise.
- (3) Allowing citizens to participate in exercise and realize a healthy, active lifestyle.

Men 66 years and up	Women 66 years and up	Born between 1942-1951
Visually Impaired Group		Born before 1999 (inclusive)

(2)

Visually Impaired Group: Runners in the Visually Impaired Group must be accompanied by a guide runner throughout the entire course of the race. Participants must report to the Federation and register for the race. Visually impaired runners are limited to one guide runner per person, and will not be timed. Guide runners are not required to pay the fee. The Federation will provide insurance for the guide runner; the guide runner may not request any other privileges.

In the event that the guide runner has failed to pre-register, the runner's results will not be recorded. The Federation will provide guide runners with a guide runner identification bib. Participants must bring their own tether, as well as discernable clothing (Visually impaired participants must have a visually impaired disability card).

(3) Mini marathon runners will not be divided into groups. Participants under the age of 18 must provide a guardian consent form at the time of registration (please download from the registration website). Children under the age of 12 must be accompanied by a parent or teacher to register.

(4) Guardian consent forms (please download from the registration website) must be signed by a guardian and scanned (either photographed using a cell phone or photocopied) into a file, which must be e-mailed to [service01.marathon@gmail.com](mailto:service01.marathon@gmail.com) or faxed to 03-8335597. Applications without an attached guardian consent form will be regarded as incomplete. Responsibility for any infringement of relevant rights will be borne by the athlete.

(5) Registration of groups including individuals under 18 years of age: If the

team captain is an adult, he/she will act as the guarantor and provide consent. Submission of additional consent forms is not required. If the team captain is not an adult, all participants under the age of 18 must submit a guardian consent form. (See Appendix 1 for the consent form).

## **XI. Registration Procedure**

### **(1) Event Brochure**

Please go to the official website at [www.marathon.hl.gov.tw](http://www.marathon.hl.gov.tw) and enter the “2017 Pacific Ocean & East Rift Valley Marathon” event website to browse or download the event brochure. Those who wish to participate in the marathon shall complete the online registration procedure.

### **(2) How to Register**

1. The 2017 Pacific Ocean & East Rift Valley Marathon adopts online registration and has opened group and individual registration (1,000 runners for full marathon, 2,500 runners for half marathon, and 2,500 runners for mini marathon). Each individual is limited to participation of 1 event in 1 group. Multiple registration is prohibited.
2. Participants must pay their fees in full within the designated period and fulfill participation requirements. Please read the event brochure before registering and make sure you completely understand and are willing to follow all items in the brochure.
3. When registering, please fill in your correct birthdate to facilitate grouping. In the event that errors in race records occur as a result of submitting false information, the Federation reserves the right to revoke the participant’s eligibility to participate without refund. Applications where the registrant has failed to complete the registration process or pay fees in full will be regarded as incomplete. Registrants may not object to this decision.
4. For more information about group or individual registration processes, visit the registration section of the official website ([www.marathon.hl.gov.tw](http://www.marathon.hl.gov.tw)). Please read the information carefully and fill in your registration information. You cannot make changes to your application once it has been submitted. Fees must be paid within the designated period. Please confirm that your information is correct before proceeding to the payment process; changes to registration information cannot be made after payment is complete. Once fees have

been paid, participants can look up relevant registration information at the registration section of the official website.

5. Please carefully assess your capability to complete the race within the stipulated time period. Registrants who have paid the fees may not make any changes to registration information such as name, race event, clothing size, or requests for refund. Furthermore, registrants who are unable to participate in the event may not transfer their entry to others. Registrants will be disqualified if they fail to complete payment transactions by the designated deadline. Substitutes and escorts are strictly prohibited.

(3) Race Material Pick-Up and Check-In:

1. This race event adopts the “postage check-in” method and will start mailing relevant materials on November 19, 2017. Registrants must bear the cost of postal fees and pay them together with the registration fee. The mailing address and receiver must be correctly filled in during the registration process. In the event that the registrant makes an error that prevents the Federation from sending the materials, the registrant must bear full responsibility. The Federation will not resend the materials or allow on-site pick-up.

2. Individual or group postal standards:

Number of People	1-2 people	3-10 people	11-30 people	31-70 people	71-100 people
Fee	NT\$100	NT\$300	NT\$500	NT\$800	NT\$1000

3. Registrants who do not receive their registration materials before November 2017 must contact the service line: 03-8358916.
4. Receiving the check-in parcel signifies that you have completed the check-in procedure. Check-in procedures will not be conducted on the day of the race.

### **XIII. Timing:**

- (1) The 2017 Hualien Pacific Ocean & East Rift Valley Marathon will provide timing chips for all full marathon and half marathon contestants. After registration and completion of the collection procedure of the race package, all contestants will receive their race number tags, souvenirs and chips. The security deposit for the chip will be refunded upon return of the chip at the venue after the race. Participants who fail to return the chip will not be able to claim their deposit. Before the race, please read the instructions for using the chip, or ask a race official for assistance. All results of the race will be based on posted official results.
- (2) As per the International Association of Athletics Foundation (IAAF) regulations Article 165.24, the start of the race begins when the gun is fired. Timing for the race begins at the firing of the gun, and winners are

determined according to this timing record.

- (3) Exchanging of chips, wearing another person's chip, or wearing more than one chip per person is prohibited. Violators will be disqualified from the race and results will not be recorded.
- (4) The chip is proof of timing. Be sure to pass the start and finish sensor checkpoint. The Federation is not liable for timing failure as a result of non-compliance with rules on using the chip. Contestants must also pass through the chip sensor at the turning point of the race course. Failure to pass through the turning point chip sensor will result in disqualification. Race times will not be recorded and medals and achievement certificates will not be awarded.
- (5) Please race according to your ability, and do not push and shove one another. Exercise sportsmanship by yielding the front line to faster runners.
- (6) Please start on time. Runners who do not cross the starting line within 15 minutes of the start of the race may be disqualified from the race, and their times will not be included in the race results.

#### **XIV. Rules:**

- (1) Those who violate any of the following rules will be disqualified:
  1. Not wearing the race number tag and timing chip, or not securing the chip on the shoes as stipulated.
  2. Absence of time records in the chip, or no start, finish, or turning point entry time.
  3. Non-compliance with judge instructions.
  4. Not displaying the race number tag on the chest.
  5. Use of bicycles, strollers, in-line skates, skateboards, or scooters on the race course is prohibited.
  6. Bringing pets (cats and dogs) on the race course is prohibited.
- (2) Those who violate the following rules will be disqualified and banned

from participating in any Federation activity for one year, and their names will be posted on the webpage.

1. Accepting assistance from another person (such as accepting a ride, support, etc.) during the race.
2. Registering in an incorrect category or using a false ID.
3. Violating sportsmanship or ethics (such as fighting, insulting the judges and race officials).
4. Substituting with a non-registered runner for the race is prohibited. Wearing two or more chips is prohibited. Those found in violation will be disqualified from the race by the judge(s), lose their results, be banned from races for one year, and the names of the violator and their substitute will be posted on the official website.

### (3) Disputes

1. Competition disputes: Contestants may not question the judges during the race. Any opinions will be dealt with according to competition regulations, and the judges' decision is final and shall not be appealed.
2. Dispute procedure: Any disputes concerning the race should be brought to the attention of the organizer within 30 minutes of announcing race results. A security deposit of NT\$5000 must be submitted to and receipted by the Race Group. All decisions by the review committee are final. If the committee finds the dispute unjustified, the deposit will not be refunded.

### (4) Precautions

#### 1. Clothing Storage

- (1) Full marathon, half marathon, and mini marathon contestants needing storage for their clothing must use the personal clothing bag provided by the Federation. On the day of the race, show your clothing storage card to the staff and obtain a mark on it to check in your belongings. To retrieve your belongings, show your race number tag and obtain a pick-up stamp on it. (Please take care of your own valuables. The

Federation is not liable for any loss of personal items).

- (2) Personal belonging bags can be checked in from 04:30 to 06:30. on December 2, 2017. Present your race number tag to claim your belongings after the race. Please retrieve your belongings before 14:00 on the day of the event. (Please take care of your own valuables. The Federation is not liable for any loss of personal items). Please complete the check-in procedure as early as possible to avoid delaying the race start time.

## 2. Safety

- (1) In the event of typhoon or other nature disaster, the Federation will take into consideration the safety of contestants, and reserve the right to cancel or delay the race, or use an alternate race course. Contestants do not have the right to protest the decision.
- (2) Event judges, doctors and traffic safety authorities reserve the right to interrupt or stop contestants from continuing with the race on account of their physical condition or road safety. Contestants do not have the right to protest the decision.

## 3. Have your ID with you for identification.

4. All contestants must be in good health. Please be aware of your health condition. Do not strain yourself if you do not feel well. Do not compete if there are any health concerns such as cardiovascular disease, diabetes or other illnesses. Do not conceal your condition; otherwise, the Federation will not be liable for any consequences.

5. Day and night time humidity and temperature vary significantly. Please bring warm clothes and rain gear.

6. All marathon and half-marathon runners will be using chip timers. Please read the instructions carefully. The Federation is not liable if no time is recorded due to improper use.

7. Take care of your race number tag and chip in your race package. Lost articles will not be replaced. Those without race number tags will be

disqualified from the race. Those without chips will not have results from the race.

8. The Federation reserves the right to broadcast, exhibit or post the videos, photos and results of the race to the world on its website and publications. Contestants must agree to have their photos and performance used in race related publicity and broadcast activities.
9. As part of the green earth effort, the names of contestants will not be published in the event program. Please refer to the official website for the list.

(5) Any further matters will be revised and announced by the Federation.

## **XV. Insurance**

(1) Public Casualty Insurance:

1. Runners must take care to fill in their registration forms correctly and will be responsible for any errors that result in loss of insurance.
2. Exercise is important for maintaining a healthy body. Please be aware of your health condition on the day of the race. On the day before the race, get plenty of sleep. On the day of the race, eat breakfast two hours before running.
3. The Federation will only provide necessary emergency medical care for the event. All other existing conditions are not within our scope of care. The public casualty insurance policy only covers injuries caused by accidents.
4. Contestants for this event are insured for NT\$3 million per person by public casualty insurance. (Details of the insurance are based on the contract with the insuring company).

(2) Public Casualty Insurance Coverage:

1. During the insured period, the insured shall receive compensation according to the law for third party bodily injury, death or property damage caused by the following. Upon receiving claims for

compensation, the company will be liable to provide indemnity to the insured:

- (1) Accident occurring in the place of business stated in the policy of the insured or his employee as a result of business operation.
- (2) Accident caused by buildings, roads, machinery or other objects of work in the insured place of business.

## 2. Exclusions

- (1) Injuries resulting from personal illness.
  - (2) Symptoms resulting from personal constitution or cardiovascular conditions, such as shock, heart disease, diabetes, heat exhaustion, heat stroke, altitude sickness, epilepsy, dehydration, etc.
  - (3) Illness caused by existing personal disease are outside of the scope of insurance. Contestants with a past history of unexplained chest discomfort (chest pain, chest tightness), unexplained breathing difficulty, familial heart disease, diabetes or symptoms of myocardial diseases mentioned in (2) are at a high risk for myocardial infarction and should carefully consider personal safety before taking part in the race. You may also have a physician assess your risk, take an electrocardiogram, and purchase additional personal accident insurance.
- (3) If you have ever experienced any of the following diseases, have any of the following conditions, or are at high risk for sudden death, please consult a physician and refrain from competing:
- (1) Unexplained breathing difficulty
  - (2) Unexplained chest discomfort (chest pain, chest tightness)
  - (3) Unexplained dizziness
  - (4) Sudden loss of consciousness
  - (5) Hypertension (> 140 / 90mmHg)
  - (6) Heart disease
  - (7) Abnormal renal function

(8) High cholesterol (total cholesterol > 240mg / DL)

(9) Family history of heart disease

## **XV. Shuttle Information**

■ Free shuttle bus service will be provided by the Federation between Hualien Train Station and Meilun Track and Field Stadium (Contestants must present their number tag upon boarding. Dependents must ride with the contestant and may not ride alone). Individuals who are not participating in the event may not use the shuttle bus service.

1. The “Federation Shuttle Bus” will be available on December 2, 2017 and transport passengers from Hualien Train Station to Meilun Track and Field Stadium (See chart below). The shuttle bus will also pass by the former post office and the Shihlai YunChuan Plaza (fountain) on Zhongshan Road in Hualien, so contestants can board the shuttle bus at a total of three locations.
2. Parking in the area surrounding the event venue is difficult and traffic control will be implemented over the course of the event. Therefore, contestants are advised to ride the shuttle bus provided by the Federation. Non-competing individuals who wish to ride the shuttle bus may be allowed to ride depending on the number of available seats in the shuttle bus on the day of the event.
3. Parking is prohibited on all traffic-controlled roads over the course of the event (December 01 – 02). Violators will have their vehicles towed according to regulations.
